

SELECTED CLIENTS – FY2018

Colleges and Universities

Collaborating in pursuit of scientific advancement and giving students opportunities for development

As the cornerstone tenant of Research Triangle Park—which serves as a research/technology model for other regions—RTI International has a long record of collaborating with research universities and institutions. We extend our capabilities through collaborative project work with faculty, scholars, staff, and students to better serve our clients and contribute to scientific scholarship.

RTI International is an independent, nonprofit research institute dedicated to improving the human condition. Clients rely on us to answer questions that demand an objective and multidisciplinary approach—one that integrates expertise across the social and laboratory sciences, engineering, and international development. We believe in the promise of science, and we are inspired every day to deliver on that promise for the good of people, communities, and businesses around the world. For more information, visit www.rti.org.

RTI International is a registered trademark and a trade name of Research Triangle Institute.
